EGYPT

The beauty of Egypt lies in the combination of historical and cultural sites, tranquil ambience along the river Nile, breathtaking sceneries, exceptional beaches, extreme sports and leisure activities, enjoyable nightlife, 365 days of sunshine and unique location!

Egypt is a unique destination comprising an exceptional mixture of sites and activities that could be enjoyed in every moment spent on that incomparable land.

INDIA

The ancient land of India portrays a landscape of vibrant cultural heritage and spiritual mysticism. The ruins of buildings and other remains show that some four to five thousand years ago a highly developed Civilization flourished in this region.

The north of India is bordered by the world's highest mountain chain. In the west, plateaus of tropical rain forests and sandy deserts are surrounded by palm fringed beaches. The country benefits from a diversified culture resulting in the coexistence of several religions and local traditions.

ISRAEL

Nothing underscores the variety of Israel's attractions more than realizing that within a few hours you can go from the snowy heights of Mount Hermon to the Judean Desert and the saltiest sea on earth, the Dead Sea, while visiting ancient biblical cities, covered markets and a high-rise metropolis on the way. This is what makes Israel truly a destination with something for everyone.

JORDAN

The Hashemite Kingdom of Jordan, which once captivated ancient travelers, continues to enthrall a whole new generation as a modern, vibrant nation.

From the haunting, primeval starkness of Wadi Rum, to the teeming centre of urban Amman; from the majestic ruins of bygone civilizations to the timeless splendor of the Dead Sea, Jordan is unveiled as a unique destination offering breathtaking and mysterious sights, high standard accommodations, exquisite cuisine and countless activities that can provide visitors with inspiration, motivation, and rejuvenation.

DUBAI

Sunshine, shopping, seaside, sports and safety - five of the key ingredients that have earned Dubai a growing reputation as one of the world's most attractive and rapidly developing leisure destinations.

Dubai is an intriguing land that combines old-world souks and modern shopping malls, rolling sand dunes and championship grass golf courses, remote Bedouin villages and an array of five-star hotels.

TURKEY

Turkey has so much to offer her visitors, breathtaking natural beauties, unique historical and archeological sites, steadily improving hotel and touristic infrastructure, a tradition of hospitality and competitive prices. It is not surprising therefore that this country has recently become one of the world's most popular tourism destinations.

Due to Turkey's diverse geography, one can experience four different climates in any one day. The rectangular shaped country is washed on three sides by three different seas. Its shores are laced with beaches, bays, coves, ports, islands and peninsulas. Turkey is also blessed with majestic mountains and valleys, lakes, rivers, waterfalls and grottoes perfect for winter and summer tourism and sports of all kinds.
